"HOC SIGNO FORTUNA."

BALTIMORE, FRIDAY, DECEMBER 2<sup>nd</sup>, 1817.**THE \$50,000 DOLLAR PRIZE.**

We again have to record the very singular good fortune attending this office, in the liberal distribution of Fortune's favors. Agreeably to the scheme and the memoranda heretofore published, the first drawn Number yesterday afternoon in the **SURGICAL INSTITUTION LOTTERY**, was entitled to **FIFTY THOUSAND DOLLARS**. It came out to No. 1191 and was sold at COHEN'S OFFICE, where also have been already obtained in this splendid lottery, the *Ten Thousand Dollar prize and Two of the Five Thousand*, being the highest Capitals yet drawn.

ON THURSDAY NEXT (New-Year's-Day) the great Stationary Prize of **ONE HUNDRED THOUSAND DOLLARS** will be awarded to the first drawn Number.

Error in the list of the Sixth day's drawing—For No. 5756, read No. 7756.

**THE NEXT LOTTERY.**

30,000—20,000—2 of 10,000 &amp;c.

HIGHEST PRIZES,

AND ALL PAYABLE IN CASH.

**TICKETS ONLY TEN DOLLARS.**

The Scheme of the **MEDICAL COLLEGE LOTTERY** 3d. CLASS is published on the third page of this day's Register, and on inspection will be found to contain the same number of tickets, Blanks and prizes as the second class, which

gave such universal satisfaction, the capitals and minor prizes are of the same size and amount; and throughout the whole course of the drawing there will not be two Blanks to a prize.

Small prizes in the Surgical lottery [there being no tickets left in that scheme] should be renewed in the **MEDICAL**—during the last week upwards of two hundred renewals have been made—the Medical tickets are rapidly going off and in consequence, the day for drawing will be announced at an early period—there will be no postponement or suspension, but will continue regularly until completed. The MANAGERS' OFFICIAL LIST of each day will be regularly published in this GAZETTE and will be sent as usual to our customers, agents and correspondents throughout the UNION.—ORDERS, enclosing cash or prize tickets in the Surgical or Monument lotteries [post paid] will meet with prompt attention addressed to

J. I. COHEN Jr.  
No. 110, Market-street, Baltimore.

WASHINGTON, December 9.

It will be seen by reference to the proceedings of the House of Representatives, that a bill was yesterday reported, to authorize the commutation of soldiers' bounty lands for money, at the rate of one dollar and forty cents per acre. As it is at least possible, if not probable, that this bill will pass, let the sober and discreet soldier of the late Army hold up his patent. Instead of fifty dollars for his hundred and sixty acres, if the bill passes, into a law, he will get fifty dollars a year for four successive years. This is a prize which will well repay the patience of waiting its award.

DECEMBER 20.

**INDIAN AFFAIRS.**

The deputation of Cherokee Chiefs, that lately arrived here for the purpose of settling the affairs

of their nation with the government of the United States, have suddenly taken their departure: hence it is conjectured that they are dissatisfied with the arrangements understood to be preparing by the United States for their future government. The act to abolish the remainder of the internal Taxes, having received the signature of the President, has become a law.

RICHMOND, December 18.

Yesterday, on motion of Mr. Scott, the House of Delegates adopted a resolution requesting the Executive to procure a marble statue, in honour of the celebrated Patrick Henry, deceased.

The legislature of Tennessee, besides passing a vote disapproving the introduction of a Branch of the Bank of the United States into that state, have passed an act imposing a penalty of fifty thousand dollars, on the establishment of any such branch there.
